WELCOME TO BAUMATIC

Baumatic inspires passion.

A passion for cutting edge designs, for inspiration, and for creating beautiful appliances for your home. We believe that unbelievable design, along with the best materials and quality, need not stretch your budget; but rather complement your decision long after you have begun using our appliances.

Our heritage and philosophy is simply to dare to be different, to deliver the style statement that gives your kitchen real individuality, and the quality confidence of up to 5 years parts and labour. Our continued investment in service ensures that you receive the best possible care from one of our own fully trained group of engineers.

Our fashionbook lite has been designed to offer you a sneak preview of our range, so let us wish you a warm welcome to Baumatic.
